purchase by Officers of all articles which are included in appendix A of the Stationery Rules and are supplied to Public ~~Institutions~~ departments without previous Sanction of Govt. Finger printing apparatus is included in the appendix A against Item 123. This is intended for general supply as may be seen from the entry in col 2 of the appendix. Quite recently Govt ordered the purchase by the Stationery Deptt for supply to the various officers, of a particular variety of this apparatus after consulting the Dy of Registration, Police & others. But till now the Dy of Registration has been purchasing independently all the sets required for the Sub Registry Offices from funds provided in the Registration Deptt Budget for other purposes, which seems irregular as ~~Govt~~ Unauthorized -

SIR,

vide Lr. No. 1950 dated 18th April 1913

Adverting to correspondence ending with my letter No. 1950 dated the 18th April 1913, I have the honor to state that Messers. P.P.Rele and Company, Rubber Stamp Makers and Engravers Bombay, having advertised for sale certain new patterns of Thumb Impression apparatus, I ordered for and purchased two kinds of them, namely one " official set " and one " extra official set " at a total cost of Rs. 4-12-0 in April last to see how they worked and whether they could be substituted with any advantage for the apparatus now used in the several registration offices. The Comptroller has taken objection to this purchase as being opposed to para 3 of the Stationery Rules and wants me to obtain the sanction of Government for it. I, therefore beg to forward herewith, in original his audit objection slip No.607-T.A.M. of the 22nd Instant and request that the purchase may kindly be now formally sanctioned by Government.

I have the honor to be,

Sir,

Your most obedient servant,

for Inspector-General of Registration.
